Will –

First off, thanks for jumping on this so fast. 30 years in and you still make me look good. I went through the prelim from Stewart (order 2636517). A few things popped out that we should clear so the trust can show clean title:

- Title still shows Mom in her individual name. Can you tee up the exact docs I need to record (Affidavit of Death + Trust Transfer Deed) so we can vest it into the Judy Brakebill Jones 2008 Trust? [minaryReport.pdf\]\(file-service://file-VcRnCieS6yXozJ2oKc6m1o\)](#)
- Three old liens are hanging around – especially that June 2024 Achieve Loans DOT. Could you pull payoff/reconveyance info or flag anything that smells off? Same for the '92 Jupiter and 2010 Wells liens. [minaryReport.pdf\]\(file-service://file-VcRnCieS6yXozJ2oKc6m1o\)](#)
- Stewart needs a Statement of Information and the change-of-ownership form. I can knock those out quick this week—just send me the latest versions your escrow team likes. [minaryReport.pdf\]\(file-service://file-VcRnCieS6yXozJ2oKc6m1o\)](#)

Game plan I'm seeing:

1. You get me the vesting checklist + payoff quotes.
2. I record the trust docs and fire the SI over to Jyme's team.
3. Stewart issues an updated commitment we can lean on for the Omni-Freeze filings.

Let me know if that lines up or if I'm missing anything. I'll call you Tuesday FOR SURE if you're free. What times work?
