Eric

I have attempted to call you several times, and your phone indicates that it is busy.

You have not paid rent for either December 2025 or January 2026. I will be serving you with a Three-Day Notice to Pay Rent or Quit.

I would like to resolve this problem without litigation. If you vacate the property and leave it in good condition by January 20, 2026, I will not seek a judgment against you and Nuha Saygh for rent and attorneys' fees (and likely electric service), nor will I report you to a credit agency as a delinquent tenant.

Please advise if this is acceptable, and I will draft an agreement accordingly.

Mr. Kearney,

My carrier logs confirm zero incoming calls. Your claim of a 'busy signal' is a fabrication.

Filing a Declaration of Diligence based on this lie will trigger a State Bar complaint for violation of Rule 3.3 (Candor to the Tribunal).

A small screenshot of an email interface. It shows an email from 'Eric Jones' to 'recovery-compass.org'. The subject line is 'Rent Payment Extension Request - 5634 Noel Drive - Eric Jones - eric@recovery-compass.org.png'. The email body contains some text, but it is mostly illegible due to the small size. There are some icons and a 'Reply' button visible at the bottom.
