

## **ATTACHMENT TO REQUEST TO WAIVE COURT FEES (FW-001)**

NAME: Eric Brakebill Jones

CASE NUMBER: 25PR000590

CASE NAME: Estate of Judy Brakebill Jones

### **FINANCIAL INFORMATION (Addendum to Sections 8, 9, 10)**

#### **1. APPLICANT STATUS**

I, Eric Brakebill Jones, am the Successor Trustee of the Estate of Judy Brakebill Jones. While the Trust holds title to real property located at 17742 Berta Canyon Rd, Salinas, CA, this asset is currently subject to probate administration and is ILLIQUID. It cannot be sold or borrowed against to pay court fees at this time.

#### **2. BANK-MANUFACTURED INSOLVENCY**

My personal and fiduciary bank accounts (specifically Wells Fargo Account Ending 3965) are currently FROZEN with a negative balance (-\$559.45) due to unauthorized third-party fraud and bank technical failures. I have filed a Federal Regulation E Dispute (Claim IDs 03202512300017973 et al.) on December 30, 2025, to recover these funds, but access remains blocked by the bank's processing timeline.

#### **3. INABILITY TO PAY**

As of this filing, I have \$0.00 in accessible liquid funds. Denying this Fee Waiver would effectively deny the Estate access to justice based solely on a temporary bank error and third-party fraud. I request this waiver to preserve the filing priority date regarding the internal affairs of the Trust.
