Dear Ms. Bui,

I hope this message finds you well.

I wanted to follow up as I have not heard any updates regarding my case for the past few days and wanted to ensure everything is on track for our upcoming deadlines and hearings.

As your client, I want to make sure I am doing everything I can to support your work and make the process as efficient as possible. May I ask if there is anything I can do or provide at this stage to help make your job easier or move things forward? Are there any documents, information, or actions you need from me that would assist you or your team?

Additionally, if there are best practices or behaviors you recommend for clients in my situation, I am eager to learn and to collaborate as effectively as I can.

Thank you for your guidance and support. I appreciate your expertise and am committed to doing my part to achieve the best outcome.

Best regards,  
Nuha
