### We're making changes to help better protect your account

#### 1. You may be required to use a trusted device for certain account and digital services

Starting September 21, 2025, you may need to use a trusted device to manage your account and digital profile, access or use certain account product and services (including certain wire transfers), make certain payments and transfers, or to provide authentication or approvals. A trusted device is a smartphone that has been enrolled with us based on specific criteria.

##### You may need to enroll a device

You may already be using a trusted device. If not, you'll receive instructions to make your device trusted the next time you try to perform an action that requires it.

For more details, please see the Amendment in the Deposit Account Agreement and the new Section V. D. *Using trusted devices*.

#### 2. How we treat third-party endorsed check deposits is changing

A third-party endorsed check is a check that was originally payable to another person/entity that you attempt to deposit or cash. Beginning September 1, 2025, we may not accept a third-party check for deposit or to cash or we may require verification of endorsements. If we refuse a deposit, we may return the check or provide a substitute check to you.

You can find this update in Section III. A. *Our rights and responsibilities for deposits*.

You can see the complete, updated Deposit Account Agreement beginning June 12, 2025, at [chase.com/disclosures](http://chase.com/disclosures). If you have questions, please don't hesitate to contact us by calling the number on this statement.
