**Eric**

It seems you have missed paying your Edison bill for June and Edison deducted \$76.62 from my account on July 5<sup>th</sup>. Attached is a copy of the bill. Please Zelle this amount to my account. Also, please put the bill in your name to avoid me having to get involved in your electric service.

Hi Gary,

No I called the company and made a payment but it must have your info stored in the account still and deducted it from that. I sent you the money via Zelle today.

Regarding the switching of the account - as I emailed you several months ago the account holder has to be the one putting the account in the new person's name. This is due to needing your cell phone number for authentication reasons among other things. I spent over an hour on the phone with them to realize it needs to be you.

Let me know if you have any questions

Eric

**Eric**

I have looked at the SCE Website and there is no way for me to transfer my account to you. What I think needs to be done is I discontinue service and you initiate service under your own name. Here is the reference to the website.

[www.sce.com/helpcenter/topics/account-bills/how-do-i-turn-service-new-address](http://www.sce.com/helpcenter/topics/account-bills/how-do-i-turn-service-new-address)

If you agree, I will stop service on July 24<sup>th</sup> and you can initiate service on the same day. I will do nothing until I hear from you that you concur because I do not want to have any interruptions in your service.

Hi Gary,

When I connected with SCE on the phone they confirmed you cannot transfer account ownership online you have to do it over the phone. Would you mind doing it over the phone so we can avoid cancelling service?

Eric

I tried contacting SCE on the telephone, and they are not accepting calls because of some maintenance issue. I will continue to forward your electric bills as I receive them.
