EVIDENCE: DIGITAL STALKING

DIGITAL WARFARE: IMEI STALKING & WITNESS SILENCING

1. INCIDENT: January 11, 2026 (The "Sunday Window").
2. ACTION: Freddy Sayegh persistently called Mia (13) demanding her IMEI number and geofencing data.
3. STRATEGIC CONTEXT: Occurred immediately after the Sonoma Drive police intervention.
4. INTENT: Witness Intimidation and Forensic Geofencing. Freddy sought to track the child's device to identify the "whistleblower" and locate the Sanctuary.
