To the Discovery Unit & Risk Management Bureau:

Pursuant to the California Public Records Act (Gov. Code § 6250 et seq.), I, Eric Jones (Mandated Reporter/Systems Auditor), hereby request immediate inspection and production of the following public records regarding the active investigation handled by Detective Cristina Cordoba (Ref: Victim Mia Sayegh).

1. BASIS FOR REQUEST (EVIDENCE OF FALSE REPORTING):

On December 29, 2025, Detective Cordoba notified the reporting party in writing: "I called and left you a message earlier today."

Forensic call logs confirm NO incoming calls or voicemails were received on that date.
This discrepancy suggests a potential falsification of investigative activity ("Ghost Calls") to manufacture a narrative of victim non-compliance.

2. RECORDS REQUESTED:

I request immediate production of:

A. COMMUNICATION LOGS: All call logs, dispatch notes, and email metadata between Detective Cordoba and the reporting party (Nuha Sayegh) from December 20, 2025 to Present.

B. EX PARTE COMMUNICATIONS: All correspondence between Detective Cordoba and the suspect (Fahed "Freddy" Sayegh) or his counsel (Gilbert Quiñones) to determine if external influence is delaying this investigation.

C. CATS PROTOCOL: Any departmental policy mandating that a victim of crime must sign "Medical Liability" or "Patient Intake" forms with a third-party vendor (CATS) as a precondition for a police interview.

3. URGENT SAFETY NOTICE:

The Detective has failed to schedule a critical forensic interview for a minor child despite the guardian providing unrestricted availability and demanding the interview in writing on Jan 2, 2026. The delay appears solely due to an attempt to force the victim to sign unauthorized medical billing contracts.

TIMELINE:

Given the immediate danger to the minor child involved in pending Family Court litigation (Hearing Jan 6), I request a determination within 10 days.
