Inner Circle Children's Advocacy Center

Permission to conduct a Forensic Interview

I, _____(parent/legal guardian), have been informed by Inner Circle Children's Advocacy Center about the nature of the forensic interview that will be conducted. I have been informed that the forensic interview will be electronically recorded with audio, video and digital recording equipment. I understand that Inner Circle Children's Advocacy Center cannot release any aspect of the record directly to me.

I understand that this interview is to assist investigative agencies, such as child protective services and law enforcement, in gathering information from my child _____ regarding allegations of child abuse (possible victim and/or witness). I further understand that these recordings may be considered as evidence in the case and may be viewed by police, attorneys, medical professionals, mental health professionals, and others necessary to the disposition of the case.
