ATTN: Civil Process Unit

I am writing to provide the specific **Sheriff File Number** for the Urgent Service Request I emailed at 5:28 PM today.

Sheriff File No: 2026100089 (Jones vs. Sayegh) **Court Case No:** 25PDRO01741

Please update File **2026100089** immediately with the attached **Order on Request to Continue Hearing (CH-116)**.

CRITICAL PROCESSING NOTES:

1. **FEE WAIVER:** As noted on **Page 3, Item 7** of the attached Order, Judge Martella has waived all service fees due to a credible threat of violence. **Please disregard any previous notes regarding a returned check or payment requirement.** Service is ordered to be free.

2. **NEW HEARING DATE:** The hearing is continued to **February 2, 2026**.

Please print the attached Order, add it to the Deputy's service packet for File **2026100089**, and release it for immediate service.

I have yet to receive the refund for the orginal Riverside County Sheriff Money Order Deposit in the mail.

Thank you for your assistance.
