Key Points for Court Presentation

Pattern of Escalation: The incidents show a clear pattern of escalating violence and control, from physical abuse of children to violations of court orders to threats against advocates.

Child Safety Crisis: Both Mia (13) and Jordan (8) have been directly harmed and traumatized by Fahed's actions, requiring immediate court protection.

Evidence-Based Timeline: Every incident is supported by documented evidence (texts, photos, police reports, witness statements) that can be presented to the court.
