RESPONDENT:	MARGIE SAYEGH

Case No.:	_____

DECLARATION OF ERIC BRAKEBILL JONES IN SUPPORT OF REQUEST FOR CIVIL HARASSMENT RESTRAINING ORDERS

I, ERIC BRAKEBILL JONES, declare as follows:

1. PARTIES AND JURISDICTION

I am over the age of 18 years. I reside in Los Angeles County, California. I am not in a domestic relationship with Respondent MARGIE SAYEGH. This is a civil harassment matter pursuant to Code of Civil Procedure Section 527.6.

Respondent MARGIE SAYEGH is the mother of FAHED SAYEGH, the estranged husband of my domestic partner, NUHA SAYEGH. I have known Respondent through my relationship with NUHA for approximately three (3) years.

2. SUMMARY OF HARASSMENT AND THREATS

Respondent MARGIE SAYEGH has engaged in a course of conduct directed at me that serves no legitimate purpose and has caused me substantial emotional distress. This conduct includes:

1. **A credible threat of violence** made in August 2025;
2. **Electronic stalking** through covert placement of AirTag tracking devices on my vehicle; and
3. **Ongoing harassment and retaliation** for my role in supporting NUHA SAYEGH in her separation from FAHED SAYEGH.

3. THE CREDIBLE THREAT OF VIOLENCE (August 2025)

In or about August 2025, Respondent made a statement that constitutes a credible threat of violence against me.

According to information provided by MIA SAYEGH (age 13), the daughter of NUHA SAYEGH, MIA overheard a conversation between Respondent MARGIE SAYEGH and FAHED SAYEGH in which Respondent stated words to the effect of:

"Let's meet for lunch tomorrow and figure out how to get rid of Eric."

This statement was reported to NUHA SAYEGH by MIA shortly after MIA overheard it. A declaration from NUHA SAYEGH confirming MIA's report is attached as **Exhibit D**.

In the context of my role as an advocate for NUHA SAYEGH in her escape from an abusive marriage, and in light of the Sayegh family's documented criminal conduct (including drug distribution), I believe this statement constitutes a credible threat to my physical safety.

Evidence of the threatening communication is attached as **Exhibit A**.

4. ELECTRONIC STALKING (AirTag Tracking)

I have been the victim of electronic stalking by Respondent.

On or about _____, 2025, an Apple AirTag tracking device was discovered on my vehicle. This device was placed covertly without my knowledge or consent for the purpose of monitoring my location and movements.

A similar AirTag tracking device was discovered on the vehicle of NUHA SAYEGH around the same time.

I detected these devices using the "AirGuard" iOS application, which alerts users to unknown tracking devices. Screenshots from the AirGuard application documenting this stalking are attached as **Exhibit B**.

I believe, based on the pattern of hostile conduct and the family dynamics, that Respondent MARGIE SAYEGH placed or directed the placement of these tracking devices. The purpose of this surveillance was to monitor my movements, intimidate me, and gather information to be used against me and NUHA SAYEGH.

This electronic stalking constitutes harassment under CCP 527.6.

5. MOTIVE: RETALIATION FOR EXPOSING CRIMINAL CONDUCT

Respondent's threatening and harassing conduct toward me is motivated by retaliation.

I have been the primary advocate and supporter of NUHA SAYEGH in her efforts to escape her abusive marriage to FAHED SAYEGH. In this role, I have documented evidence of misconduct by members of the Sayegh family, including:

- **Drug distribution activity** by Respondent MARGIE SAYEGH, who has distributed controlled substances (pharmaceutical pills) to her son FREDDY SAYEGH. Evidence of this activity is attached as **Exhibit C**.

Respondent views me as a threat to her family's interests and criminal enterprise. The threat to "get rid of" me and the electronic surveillance are part of an ongoing campaign of intimidation designed to remove me from NUHA SAYEGH's life and silence my advocacy.

6. IMPACT ON MINOR CHILDREN

Respondent's conduct has caused harm not only to me but also to the minor children MIA (age 13) and JORDAN (age 6), the children of NUHA SAYEGH.

MIA has stated that she feels "unsafe" around Respondent MARGIE SAYEGH. MIA has been forced to witness and report threatening conduct by Respondent, which has caused her significant psychological distress.

I am deeply concerned that Respondent's erratic and threatening behavior, combined with her involvement in drug distribution, poses an ongoing risk to the safety of these children.

7. ORDERS REQUESTED

I respectfully request that the Court issue the following orders:

A. PERSONAL CONDUCT ORDERS (CH-130, Item 6)

Order Respondent MARGIE SAYEGH to: - Not harass, intimidate, molest, attack, strike, stalk, threaten, assault, hit, abuse, destroy personal property of, or disturb the peace of Petitioner; - Not contact Petitioner, directly or indirectly, in any way, including but not limited to in person, by telephone, in writing, by public or private mail, by interoffice mail, by email, by text message, by voicemail, or by other electronic means; - Not take any action to obtain Petitioner's address or location.

B. STAY-AWAY ORDERS (CH-130, Item 7)

Order Respondent to stay at least **100 yards** away from: - Petitioner; - Petitioner's home at 5634 Noel Drive, Temple City, CA 91780; - Petitioner's vehicle; - Petitioner's workplace.

C. NO ELECTRONIC SURVEILLANCE

Order Respondent not to use any electronic devices or applications to track, monitor, or surveil Petitioner's location or movements.

8. TEMPORARY RESTRAINING ORDER REQUESTED

I request that the Court issue a Temporary Restraining Order (TRO) immediately, without notice to Respondent, because:

1. Respondent has made a credible threat of violence against me;
2. Respondent has demonstrated the capability and willingness to conduct covert surveillance;

3. Advance notice to Respondent would likely result in increased risk to my safety;
4. The electronic stalking demonstrates an ongoing pattern of monitoring that requires immediate intervention.

9. CONCLUSION

Based on the foregoing, I respectfully request that the Court: 1. Issue a Temporary Restraining Order immediately; 2. Set a hearing on my request for a permanent Civil Harassment Restraining Order; 3. Grant all requested personal conduct and stay-away orders; and 4. Grant such other and further relief as the Court deems just and proper.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
