1 DECLARATION OF NUHA SAYEGH

1.1 In Support of Request for Order

1.1.1 Case No. 25PDFL01441

I, Nuha Sayegh, declare:

1. **Substance Inversion (Refutation of Lies):** Respondent claimed I am a substance abuser to gain tactical advantage. This is false.
    - **Evidence:** On Oct 9, 2025, I voluntarily submitted to a 10-panel drug test. The result was **NEGATIVE** for all substances. (See Phase 1 Evidence: Clean_Test_10-09.md).
2. **Financial Reality:** Respondent claims poverty ($5,500/mo). The truth is visible in his spending and cash flow.
    - **Evidence:** My analysis of his accounts shows ˜$48,000/month in deposits. (See Exhibit A-1).
3. **The "Golden Hammer":** The FL-150 filed by my former counsel (H Bui) contained a critical error stating my income was $5,500. It is $0. I explicitly instructed them to correct this (See email evidence). This declaration corrects the record.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
