EMAIL THREAD: FL-150 ERROR WARNING

From: Nuha Sayegh chefnuha@gmail.com To: Sara Memari sara@hbuilaw.com Date: Tuesday, November 18, 2025 at 4:30 PM Subject: Income and Expense Declaration corrections

Hi Sara,

I made critical corrections to the I&E and need immediate action. I'm on food stamps, $11,000 behind in rent, no heat for my kids, and they come back traumatized every weekend from him. I need sole custody with supervised visits NOW and maximum support or we won't survive this month.

During our call yesterday, I explained that because the only issues before the Court are support and attorney's fees, it's unlikely the Court will change the current visitation order at this hearing.

To make your I&E accurate (and easier for the judge to accept), expenses should reflect what you're actually paying right now. A few clarifications I need from you today:

1. Childcare: Are you currently paying for childcare?
2. Health care (out-of-pocket): What's your monthly amount?
3. Travel for visitation: You listed $7,009, this looks like a typo.
4. Extracurriculars ($1,500): The court will ask why this can be paid while rent/essentials are tight.

I'm leaving the office at 5:30 PM today since I have another obligation to attend to. If I don't have your signed I&E by then, I won't be able to file the updated I&E, and the Court will most likely proceed with the September I&E for now.

The incorrect FL-150 showing $5,500 income (actual: $0) was filed at 5:19 PM on November 18, 2025 - BEFORE Sara's response email and BEFORE the hearing.
