Hi Sarah,

I hope you're well. I'm writing with several urgent matters that need your immediate attention. I've CC'd Eric Jones, who prepared the comprehensive billing audit attached.

Kirk Kolodji Fee Motion (Due November 19, 8:30 AM)

Sarah, I need to be direct: I'm financially desperate right now. Kirk is claiming $16,306, but Eric's audit shows only $6,000-$8,000 is justified that's a $8,000-$10,000 difference I desperately need back.

The audit identifies 6 major billing violations: block billing, vague descriptions, excessive time charges, post-termination work, and that FL-150 income error where he reported $5,500/month when I told him it was $0. That mistake is undermining my entire spousal support case.

I need to know: Are you filing the opposition brief, or do I need to handle this myself? I cannot afford to lose this money. Please confirm by end of day if you're on this.

Custody & Safety Concerns

Sarah, I need sole custody. Freddy is causing serious harm to our children:

- **Our daughter's hearing:** When she was just a few months old, he blasted music in his car despite my warnings. Now she's lost significant hearing and struggles at school because of it. Her pediatrician can testify, and we have an appointment this week to document the worsening damage.
- **Our son:** He screams at him constantly, has no patience for normal 6-year-old curiosity, and I witnessed him slam my son's head into a wall. It takes days to get my kids mentally stable after visits with him.
- **Car seat negligence:** He doesn't believe in proper car seat safety.

My daughter's former pediatrician can provide written testimony about his recklessness. This is documented child abuse.

Relocation Request

I need to get my kids out of LA completely. My family has disowned me and supports Freddy having full custody they don't believe what hes done to me is not a big deal. I'm genuinely scared for my safety and my children's safety. They will not stop.

I want to move north, possibly Monterey area, near the ocean. My kids deserve a safe, healthy environment away from this toxic situation. Life is short, and I can't wait anymore.

What I need to know:

1. How do we pursue sole custody with supervised visitation only?
2. Is relocation legally possible, and what's the process?
3. What documentation do I need to gather right now?

-------(Dont believe ive sent EVERYTHING to Eric for when he had organized all very beautifully must I add. Thank you Mr Jones

Documentation & Evidence

Sarah, I honestly don't know what documents you have versus what I still have on my end. I've been collecting everything, so if there's anything specific you need to move this case forward successfully medical records, text messages, photos, emails, witness statements, whatever it is just tell me and I can probably get it to you right away.

FL-150 Status

Is the FL-150 corrected and ready, or do I need to come in and work on it with Danielle?

Sarah, I respect you as my attorney, but I need to know you're actively on these issues. If you're not able to prioritize this, please tell me now so I can handle things myself. I don't have time or money to waste.

Thank you,
Nuha

Hi Sara hope court went well,

Can we schedule a call today or tomorrow? A few things need clarification.

I&E Income Error

That 9/9/25 I&E is wrong. Eric filled it out early on and made a mistake. My income is **$500/month, not $5,500/month.** I'm attaching my last 3 months of bank statements so you can see for yourself. Eric helps me when he can, but I have no steady income.

Besides how do you think I have been eligible to had food stamps and cash aid was in motion told them to hold off

This error is killing my spousal support case and needs to be fixed right away.

Kirk Motion

I know you recommend not fighting it, but I'm financially desperate. If there's any way to reduce what I owe him, even a little, I need to try. Can we talk about options?

Relocation

I don't have exact details yet because I need to know what my settlement will be first. But I'm looking at Pismo Beach or Monterey area - I need to get my kids out of this area completely.

What do you need from me now to keep my options open for relocation? I don't want to accidentally mess up my ability to move later.

Down below the link to all my bank statements from today (screenshot) to August pdf

Thank you,
Nuha

Yes. I think Nuha is more concerned about immediate financial relief (after $40k I am too) than putting effort into what would result in $10k vs $12k vs $14k a month.

If you can advise on how we can increase likelihood of accelerating the path to her having enough to not be on food stamps or reliant on me for financial assistance, that would help and align with her immediate needs (and Mia and Talib).

Does that help?
