You are a liar, a manipulator, and all around con artist. Helping someone fake a cancer diagnosis to extort money and sympathy is beyond low. It shows exactly
iMessage

shows exactly what kind of man you are. You saw a family you could exploit and you took your shot, with no concern for the children caught in the middle or the damage you would leave behind.

You think you were helping to

you that you could. You are nothing but an enabler.

You are not a victim. You are the cancer in our lives. You spread lies, poison relationships, and feed off of unsettlement because without it you

iMessage

Margie ›

without it you have nothing. No life, no stability, no honor, no future. Just the lies you tell yourself and my daughter.

You will never be accepted by this family. You will never be respect-ed. Long after you are gone, you will
