AT THE NOVEMBER 19 HEARING:
- Sara Memari DID NOT present the income evidence
- Sara Memari DID NOT tell the court about the drug offer to Mia
- Sara Memari DID NOT properly prepare exhibits
- Result: BAD RULING – No support ordered

THEN ON NOVEMBER 21:
- Sara Memari QUIT without warning
- Left you with no attorney
- Left you with a January 6 hearing coming

THE PLAN TO FIX THIS

Step 1: File a Motion to Set Aside (CCP 473(b))

WHAT THIS DOES:
â\224\201â\224\201â\224\201â\224\201â\224\201â\224\201â\224\201â\224\201â\224\201â\224\201â

This tells the judge:
"My attorney failed me. She didn't present the evidence.
She quit 2 days later. Please let me re-do this hearing
with ALL the evidence this time."

The law says:
When your attorney makes a mistake, you can get relief.
We have 6 months to file. We have plenty of time.

Step 2: Present ALL the Evidence on January 6

WHAT THE JUDGE WILL SEE:

YOUR LEVERAGE (THE WEAPONS)

1. His Bar Suspension

   - He can't practice law until 2028
   - The judge already knows he has credibility issues
   - He admitted to 7 counts of moral turpitude
   - Who wrote his legal filings? (He can't do it himself)

2. The Active State Bar Complaint

   - Complaint 25-O-25791 is under investigation
   - He's being investigated for practicing law while suspended
   - This shows a PATTERN – he keeps breaking the rules

3. His Own Words Against Him

   - Email says $25,000/month – he testified it was false
   - Testimony says $8,000/month – bank shows $48,000
   - He told the judge the Chase account wasn't his – it was
   - He has a documented pattern of lying

4. The Drug Offer to Mia

   - He offered illegal drugs to your 13-year-old daughter
   - You told H Bui Law about this
   - They acknowledged it
   - They NEVER told the court
   - This is child endangerment

5. Fire Victim Exploitation

   - Your home burned down in January
   - You've been homeless, scrambling, on food stamps
   - Meanwhile, Freddy is making $45–50k/month
   - His business: "fire rebuild marketing" (Alta Design Works)
   - He's profiting off fire victims while you suffer

   Freddy is:
   - A suspended attorney who can't practice law
   - Someone who admitted to fraud and deceit (7 times)
   - Making $45,000-50,000/month
   - Exploiting fire victims while you're homeless
   - Offered drugs to your 13-year-old daughter

   You are:
   - A fire victim with zero income
   - Feeding your kids with food stamps
   - Living in unstable housing
   - Abandoned by your attorney 2 days after a bad hearing
   - Entitled to substantial support under California law

   The judge has ALREADY noted Freddy has credibility problems.
   We have the evidence. We have the law. We have the strategy.
