DECLARATION OF NUHA SAYEGH IN SUPPORT OF OBJECTION TO PETITION FOR PROBATE

I, Nuha Sayegh, declare:

1. I am over the age of 18 and competent to testify to the matters stated herein. I have personal knowledge of the facts set forth in this declaration and, if called as a witness, I could and would testify competently thereto.

2. I am the fiancée of Eric Brakebill Jones, the Sole Successor Trustee of the Judy Brakebill Jones 2008 Revocable Trust and Executor of the Last Will and Testament of Judy Lee Brakebill Jones.

3. On May 19, 2025, at approximately 3:45 PM, I was present at a family meeting at the estate property located at 17742 Berta Canyon Road, Salinas, California. The meeting was attended by Eric Jones, Heidi Marichen Jones Blanchard, and Gretchen Angela Jones.

I. AUTHORIZATION TO DOCUMENT THE MEETING

1. At the commencement of this meeting, Heidi Blanchard explicitly requested that I serve as the record keeper for the discussion. At approximately 10:26 AM in the meeting timeline, Heidi Blanchard asked me directly: "Nuha, are you writing notes? I think it would be helpful."

2. Based on this direct request from the adverse party, I took detailed, contemporaneous notes of the proceedings. The statements detailed below are transcribed from the record that Heidi Blanchard requested I create.

II. ADMISSION OF EXECUTOR STATUS AND TRUST KNOWLEDGE

1. Heidi Blanchard's current claim that the Will is "lost" or that the identity of the Executor is unknown contradicts her specific instructions to Eric Jones during this meeting.

2. I witnessed Eric Jones ask: "Mom chose me to be the executor. Is that a fact?" Heidi Blanchard responded affirmatively: "Yeah, okay."

3. Immediately following this acknowledgement, Heidi Blanchard instructed Eric Jones to execute his duties. She stated: "So the first thing that you need to do as the executor, you need to start the probate process."

4. Heidi Blanchard further demonstrated her possession and knowledge of the Trust instruments, stating to Eric Jones: “Legally, for you to sell the house, they have to have all the information from the trust and know that we’re three beneficiaries that get it all equally.”

III. EVIDENCE OF BAD FAITH ASSET CONVERSION

1. During this meeting, Heidi Blanchard admitted to listing the Trust’s 2013 Mercedes-Benz for sale on Craigslist for $11,000.

2. Crucially, Heidi Blanchard acknowledged that she lacked the authority to sell the vehicle without the Trustee’s consent. She stated to Eric Jones: “I don’t know if you, if you don’t agree, we can take it off.”

3. I understand that despite this acknowledgement, the vehicle was subsequently sold without Eric Jones’s agreement, as confirmed by a letter from Heidi Blanchard’s attorney dated June 27, 2025.

IV. EVIDENCE OF SPOLIATION (THE IPHONE)

1. The parties discussed the decedent’s iPhone, which contains critical Two-Factor Authentication (2FA) codes for estate accounts. Heidi Blanchard acknowledged she had possession of the phone but refused to surrender it immediately.

2. Heidi Blanchard stated: “I just need it for a couple more days access. I don’t need to have it.”

3. I witnessed that Eric Jones did not receive the device at that meeting. I understand that when a device was finally returned “a couple days” later, it was a different device than the one discussed, devoid of the requested data.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on December 3, 2025, at Temple City, California.
