Are you going to her performance? I was just finishing up when I had to run home and grab Jordan from school. We made dinner together, and now I’m sitting here looking at my foot it’s getting worse. My whole body is swelling up.

Tomorrow’s pretty packed, but the math tutor canceled and guitar too. I’m heading out Sunday for this retreat I’ve been putting off forever. It’s mostly meditation, hiking, some therapy sessions. Really nice room basically a hotel called Quiet Mind. I already paid half, but I’ll probably have to put the rest on my card. I ended up at the ER today. So many people. Tomorrow I’m supposed to see my primary doctor in the morning for a full physical, then head straight to the retreat after that.
