I wish you a Merry Christmas and Happy New Year. Please take care of your health the children need their father and love you very much.

Considering I've been with you most of my life
lol funny
But I really do need you to straighten up and take care of yourself. Go to the gym eat better and a lot more other things you should remove and add onto your life, but it's your life. I'm advocating for my children and my children needs their father. that's it that's all I'm gonna say
