Nuha Sayegh,

You are hereby notified that you have until January 20, 2026 to accept the transfer of billing responsibility for the phone device and phone line currently in your use/possession.

If you do not accept the transfer by January 20, 2026, I will have no alternative but to terminate service after that date. If the service is terminated, you may lose that phone number.

Please confirm in writing once the transfer has been accepted, or provide a time on/before January 20 to complete it.

Since you have a new phone and number you should be able to communicate.

ATT will be sending you a text on how to transfer the phone and the number to your name.

Thank you

Freddy Sayegh
