ATTN: Office of Chief Trial Counsel / Enforcement Unit RE: In the Matter of Fahed Sayegh Case No.: SBC-24-O-30088 (and OCTC Case No. 19-0-13425)

To the Assigned Trial Counsel:

I am a witness providing **critical supplemental evidence** regarding the Respondent, Fahed Sayegh, who is currently facing disciplinary charges in the above-referenced matter.

NEW MISCONDUCT (January 6, 2026): While these disciplinary charges are pending, the Respondent has continued to actively engage in the Unauthorized Practice of Law (UPL).

Attached is a "Litigation Hold" demand drafted and served by Mr. Sayegh on **January 6, 2026**. In the opening paragraph, Mr. Sayegh explicitly states he is acting **"on behalf of counsel"** (Gilbert Quinones) due to Mr. Quinones' alleged hospitalization.

Mr. Sayegh is:

1. Using a law firm email address (freddy@thefoxxfirm.com).

2. Acting as attorney-in-fact for an incapacitated lawyer.

3. Drafting and serving substantive legal demands on third parties.

This conduct occurred **after** the Notice of Disciplinary Charges was filed, demonstrating a willful disregard for the State Bar Act.

ATTACHMENTS:

1. Jan 6, 2026 Email from Fahed Sayegh ("Litigation Hold").

2. Dec 23, 2025 Email from Fahed Sayegh (Claiming he is not practicing).

Please ensure this evidence is added to the active prosecution file immediately.
