Freddy,

Regarding your continued withholding of Jordan: I am in possession of the LASD CAD logs from January 2, 2026, documenting the narcotics-related incapacity of Nabiel Sayegh at your residence.

You have knowingly placed a 6-year-old child in an environment with a convicted felon who has a documented history of sexual violence and interstate rape attempts. By withholding Jordan now, you are maintaining a state of Active Felony Child Endangerment.

If Jordan is not returned immediately, the police report will be updated to include your use of a fabricated "medical injury" (the knee brace) to facilitate a custodial abduction.
