Subject: ADMISSION OF BENEFIT FRAUD / INTERCEPTED EDD CORRESPONDENCE

Freddy,

Your admission today that you have been communicating with Medi-Cal regarding the children's coverage is now cross-referenced against the 50-60 intercepted EDD letters you withheld at your address until December 2025.

A formal report has been filed with edd.gov regarding your intentional interception and withholding of my unemployment survival benefits. While you move between $48,000 and $60,000 per month through GHG and Perfected Claims LLC, you forced this family onto food stamps and Medi-Cal by suppressing my independent income.

This pattern of economic abuse and federal mail fraud has been documented and provided to the Court and relevant state agencies. Your attempt to frame yourself as a "struggling parent" while withholding 60 envelopes of government benefits is an extrinsic fraud on the tribunal that ends today.
