You are such a liar.

I texted you that we were done through the app and what she would like for me to do with him.

You read it and did not respond I chose to drive by your house anyways.

I drove him all that to your home for drop off.

You all of the sudden told me to take him rolling even though I drove all the way to your home.

At no point did you speak to me or give me any directive.

Keep playing your stupid game.

Come get your son since you made me drive all the way. I know you saw ny message because it showed you read it.

He is ready to be picked up.

You keep playing games

Freddy,

At 4:10 PM you arrived at my residence with Jordan. You then chose to remove him from the perimeter despite my directive that he remain here for medical evaluation.

I do not consent to Jordan staying with you. You have identified a medical injury but refused to provide documentation. By removing him from my custody after arriving for the exchange, you are engaging in Custodial Interference.

Bring Jordan back to 5132 Rosemead Blvd by 5:00 PM. If he is not returned, I will contact the Sheriff to report that you are withholding a child in medical distress and interfering with my custodial rights.

Nuha
