Petitioner In Pro Per

SUPERIOR COURT OF THE STATE OF CALIFORNIA

FOR THE COUNTY OF LOS ANGELES - PASADENA

In re Marriage of: NUHA SAYEGH, Petitioner, and FAHED SAYEGH, Respondent.	Case No.: 25PDFL01441 **DECLARATION OF NUHA SAYEGH** Date: Jan 16, 2026 Time: 8:30 AM Dept: L Judge: Hon. Joel L. Lofton

I, NUHA SAYEGH, declare:

1. ADMISSIBILITY OF RECORDING (PC 633.6): I submit the audio recording of Jan 2, 2026 (Exhibit A). This recording was made by the minor child, Mia Sayegh, who reasonably believed it would provide evidence of domestic violence. It is admissible under Penal Code 633.6(b).

2. THE 'FRIED FISH' HAZARD: In the recording, Mia reports chemical odors ('Fried Fish') consistent with methamphetamine. The deputies fail to investigate this hazard.

3. WITNESS INTIMIDATION BY POLICE (THE 'STRANGER' THREAT): When Mia attempts to express fear, the deputy threatens her with foster care to silence her: 'If you call the police saying... you're afraid... we have to take you... to a stranger's house' (Transcript 13:30). This threat successfully terrified my daughter into silence.

4. NORMALIZING PREDATORY BEHAVIOR: Mia reported that her uncle (Nabiel) was being 'very touchy.' Instead of protecting her, the deputy stated: 'You're a girl... you're gonna see that guys are gonna get a lot more creepier... Not just uncles but everybody' (Transcript 18:43). The police are normalizing sexual harassment to a 13-year-old.

5. RELIEF: Because local law enforcement has failed to protect my children and is actively normalizing abuse, I request a Move-Away Order to Los Osos to remove them from this dangerous jurisdiction.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
