I, NUHA SAYEGH, declare:

1. THE JANUARY 14 HEARING: At the hearing on Jan 14, I attempted to raise urgent safety concerns regarding the 'Fried Fish' chemical odors and Respondent's brother, Nabiel Sayegh (a convicted felon), living in the

home. The Court ruled this was outside the scope of the Progress Report and directed me to file this RFO.

2. THE RETALIATION (JAN 15): Immediately following the hearing, Respondent took the children to the home of Nipa Gupta Cook. My daughter Mia reported she was questioned about why she told the police the house smelled like 'Fried Fish.'

3. CORROBORATING EVIDENCE (JAN 2 AUDIO): I have lodged forensic audio from Jan 2, 2026 (Exhibit A). In this recording, Mia spontaneously reports the chemical smell to law enforcement *before* the Jan 15 interrogation. This proves her testimony is authentic and not 'coached' as Respondent claims.

4. DANGER: Respondent is using his visitation time to tamper with a material witness. I request immediate protective orders.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
