SUPERIOR COURT OF CALIFORNIA, COUNTY OF LOS ANGELES
PASADENA COURTHOUSE

Petitioner: NUHA SAYEGH vs. Respondent: FAHED SAYEGH	CASE NO: 25PDFL01441 SUPPLEMENTAL MEMORANDUM: GROUNDS FOR RECEIVER (THE PERJURY TRAP) DATE: January 6, 2026 DEPT: TBD

I. THE PATTERN OF EXTRINSIC FRAUD

This Court is presented with a clear and disturbing pattern: Respondent FAHED SAYEGH deploys community assets to eliminate legal threats to himself ($11,000 "Speed Premium") while simultaneously weaponizing his unilateral control over essential services to inflict harm upon Petitioner and the minor children (Healthcare Termination).

II. THE "HEALTHCARE" LIE: WEAPONIZING CHILD WELFARE

On December 5, 2025, Respondent was recorded making a direct misrepresentation to the minor child regarding the termination of their health insurance: "Someone called in and canceled it... She [Nuha] did something" [Source 269].

This is a demonstrable falsehood.

Evidence: The Covered California Application [Source 561] unequivocally lists Respondent as the Primary Contact.

The Reality: Only the Primary Contact has the authority to terminate coverage. Petitioner NUHA SAYEGH possessed no such authority.

The Malice: Respondent deliberately terminated the children's coverage effective Nov 30, 2025, then lied to the child to shift blame, leaving them uninsured for 13+ days.

III. THE "POVERTY" LIE: THE $11,000 SPEED PREMIUM

Respondent pleaded extreme poverty to this Court on Nov 19, 2025, securing a $162/month payment plan.

The Anomaly: Within 96 hours of this plea, Respondent wired $11,000 to his counsel [Source 1573].

The Math: It is mathematically impossible for an individual earning the declared $8,000/month to generate $11,000 in disposable liquid cash in four days.

Conclusion: This proves the existence of undisclosed, accessible cash reserves derived from his business operations (Green Holdings/Perfected Claims).

IV. CONCLUSION AND RELIEF REQUESTED

Respondent lies about his income. He lies about his control. He lies to his children. The "Perjury Trap" is set, and the documentary evidence [Exhibits A-E] is irrefutable.

Petitioner respectfully requests immediate appointment of a Receiver over Green Holdings Group and Perfected Claims LLC to prevent further dissipation and protect the minor children.

Respectfully submitted,

_____
