Subject: Where are my children? I need to know if they're OK

My daughter called me in distress last night. She felt extremely uncomfortable because of your drug-addict brother sleeping on the couch and the way he was speaking to her. I have the entire call recorded.(and of course with Mia's permission.) it's a no-brainer when an urgent FaceTime call at first 12:06 AM incoming call and then 12:11 AM Now she's not answering her phone. I spoke with her this morning she was still UNSAFE and scared. I told her I'd come pick her up immediately around 4-5pm, and I haven't heard from her since. I'm very worried and need to know she's safe right now fred I mean it
