INSTRUCTIONS:

1. Log in to the State Bar of California Complaint Portal.

2. Copy the text below into the 'Describe the Misconduct' field.

3. Upload the attached 'Late Link' PDF evidence if permitted.

My name is Nuha Sayegh. I was represented by H Bui Law Firm (Hannah Bui, CFLS) and Sara Memari from Nov 4, 2025 to Nov 21, 2025. I am filing this complaint for gross negligence and constructive sabotage.

1. SABOTAGE OF COURT APPEARANCE (THE 'LATE LINK' EVIDENCE)
On the day of my critical hearing (Nov 19, 2025), my attorney Sara Memari failed to provide me with the correct court login credentials until it was too late.

SEE ATTACHED EVIDENCE: '2025-12-04-Look what time they sent me this.pdf'.

This timestamped proof shows I received the login information at a time that made punctual appearance impossible. This caused me to appear late, creating a negative impression with the Judge that prejudiced my entire case. Instead of advocating for me, my attorney effectively blocked me from the courtroom.

2. FAILURE TO PROTECT CHILD (DRUG EXPOSURE)
I informed Ms. Memari and Ms. Bui that my 13-year-old daughter had been **offered drugs** by her father. This was also in the 'Master Evidentiary Dossier' provided to the firm. The firm **failed to file an Ex Parte application** to suspend visitation, leaving my child in immediate danger.

3. FINANCIAL NEGLIGENCE (FALSE EVIDENCE)
The firm filed an FL-150 stating my income was $5,500. **This was false.** My income is $0. I pointed this out pre-hearing, but Ms. Memari failed to correct it. The court used this false

figure to deny me proper support.

4. PROCEDURAL MALPRACTICE
Ms. Memari failed to advise me that appearing remotely for a contested hearing without a stipulation would bar me from testifying. Because of this failure, I was legally **silenced** by the Judge.

5. ABANDONMENT
Less than 48 hours after this hearing, the firm terminated my representation (Nov 21), keeping the $7,500 retainer while leaving me in a worse position.
