**Subject:** URGENT: Insurance Termination Threat - ATRO Violation (Sayegh Case)

Sara,

Freddy is attempting to unilaterally terminate my health and car insurance coverage before settlement, which constitutes a direct violation of California Family Code §2040 Automatic Temporary Restraining Orders. I have attached screenshots from Our Family Wizard as TIER 1 evidence of this threat. This action creates immediate irreparable harm and requires preservation of the status quo. Please advise if an ex parte application is the appropriate filing to enforce compliance with the ATRO and prevent coverage termination. I have maintained complete silence regarding this issue and directed Freddy to speak with you directly, consistent with your instructions.

Thank you,
Nuha
