Starting to collect for Xmas gift. I'm usually done Xmas shopping by now. Thought I would have been in a home by Xmas to get the kids there tree have some normalcy.

I just needed to be moved into a decent place by then. You know the last hearing Mia was not as vocal and showing me how bad it is between her and her dad up until the week and a half ago. I knew what I knew today at the last hearing I would've never granted him all that time. I'm an idiot. Eric I'm doing wrong!!! I know that I am not doing well when it comes down to the terms and punctuations. I know that is a really big problem for me right now but what I do know is YES I can learn how to but I am having SO much difficulty.

I hate myself. I should've just went there. I should've known better to go. Why did I listen to her? This is my life. I need to stand there. You can see the story through my eyes as I look that's what happened with the judge last time it is all how you communicate with without words. You're right it is 95% of communication. What did I do!! I Promised the kids we will be moved into our home by Christmas now what am I gonna do? That fucking Kirk, I feel like I should email Gilbert and Kirk on the same one and tell Gilbert listen this guy is a piece of shit. This is what it is. Do not give him more than so so because I know that Barney he'll give me that 10 Gs if I can make that happen, I count on it mark my wordsthat can get me into a place for the month until the next court hearing
