Hi Gary,

Three things:

1) A pipe or something is busted over here and we have some minor flooding going on near the garage. It started an hour ago and the driveway and sidewalk area around the washing machine is all flooded. I texted Ignacio as well.

2) Kerri told my fiance Nuha upon touring the house that we could take care of the chandelier at some point. It's not in the location we'd like it and it's far too low. Should we discuss or should I contact Ignacio for this?

3) Where do I send the rent check?

Thanks,
Eric

I am sure Ignacio is on the water issue. Also, talk to Ignacio about the location of the chandelier and he will arrange for the collection of the rents.
